

## A GOOD OBJECT, BUT BAD ENGLISH

The following is given just as it was received:

Editor Garden Island:—

A little more than score of years ago Hawaiian music came into being, and at first there was little thought given to portrayal of real serviceable instruments, such as Guitars, Ukuleles, Cellos, Violins,—anything to give a good promising and harmonious music. But there were far-sighted men who realized the tremendous possibilities of the Hawaiian music and were quick to grasp the opportunities. One thing which strongly militated any extended Hawaiian musical club at first was the making and the cost of getting serviceable instruments. Clubs were poor, instrument unserviceably made, and besides the public was skeptical. The idea of a good musical club taking certain serviceable instruments and carry them through an entire course of service, was not seriously thought of for some time. But musical genius went into the problem time after time, and with the improvement in the instruments necessary to make a good club came the development of Hawaiian music.

The Peter Malina's Club therefore is now giving a dance with which the proceeds netted thereby will be exclusively used for serviceable instruments as well as other required equipments necessary to make a good clean and well-like musical organization by all. Occasionally, the club has given liberal entertainings, and to maintain that spirit, the club ask for your support.

The dance will start at 7:30 p. m. and closes at 12 midnight on Saturday night, March 3rd 1917, at the Lihue Social hall. Admission 50¢.

## DODGE BROTHERS MOTOR CAR

Fundamentally right from the first, it has simply been passing ever since through a period of progressive—and probably endless—evolution.

In spite of a continuous process of improvement, not one radical change has been made since the first car was built.

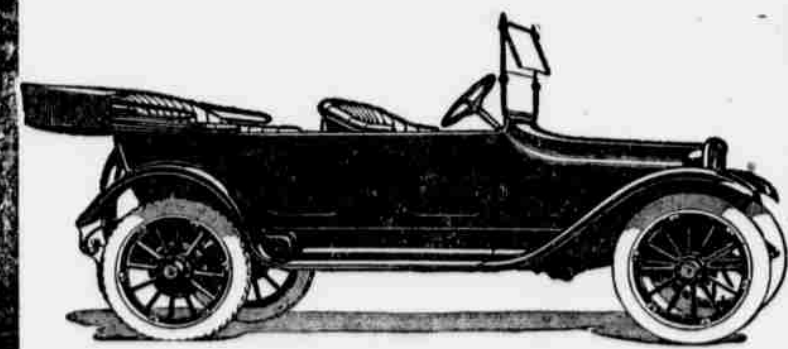

The gasoline consumption is unusually low. The tire mileage is unusually high.

The price of the Touring Car or Roadster complete is \$785 (f. o. b. Detroit).
